

HIGHWAY DAY NURSERY

POSITIVE BEHAVIOUR MANAGEMENT POLICY

It is the policy of the Nursery to promote positive behaviour and attitudes by continual praise and encouragement of good behaviour, friendly cooperation and caring attitudes.

We aim to build the children's self esteem and confidence by showing them how highly we value them and their positive interactions with others, by continual praise and encouragement.

Should a child behave inappropriately it may be necessary to remove them from the situation where staff will explain to the child why their behaviour is unacceptable, making sure they know that we are not rejecting them, but the particular behaviour.

Parents will be informed of any major incidents involving their child.

Parents will be informed of any persistent behaviour problem. We will discuss confidentially the best approach so there will be a consistency between home and nursery as we work together for your child's development. Sometimes we may decide to ask for outside professional help, this will only be done with agreement from the parents.
